1. Attached hereto is standard form voucher in the amount of [REDACTED] which is presented at the special request of the Office of Policy Coordination. The purpose of this voucher is to obtain funds for Project [REDACTED]. We are advised that the necessary documentation, evidence of approval of project, etc., is now being prepared and is not entirely completed. However, there is some concern that a delay in funding this project may defeat the purpose for which it was initiated. [REDACTED] has been told that the general purpose of the project is to [REDACTED] for purposes consistent with OPC activities.

2. The request of the appropriate Foreign Division Chief, and approval of the Assistant Director, Policy Coordination, to present a special voucher in this case is attached.

3. It is not possible at this time to accommodate this request from regular Agent Cashier advances, since such action would interfere with the payroll and other pre-scheduled commitments.
